KI-MOIDS

Dissolve easily on tongue-as pleasant to take as candy. Keep your stomach sweet, try Ki-moids MADE BY SCOTT & BOWNE

That the work of the home service Honolulo, T. H., Aug. 26.—Tresection of the En Paso chapter of the mendoms floods are sweeping portions of the islands of Kyoshu and Shittined indefinitely or as long as there kell, southwest of Homelu, the principles.

desired that fund to maintain this part of the work be obtained from matural beadquesters, as the work properly belongs under the national head.

We test that he pass will be shirted for in the continued for the residence south of the fled Crear, and Mrs. Burotry Coom, soiting secretary. We cannot blame the people of he pass for not wanting to support this work among outsiders, but the office or at least a Red Crear agent, should be been indefinitely for the purposa of faring fur the work among local individuals, which is constantly arisetts.

Mrs. S. H. Sutherland was in charge of Thursday's meeting.

Dr. Swift wouldn't embrace the Respite religion, even to get into the navy and go to Cuba, much as be admitted a west dimate would attract him after several years' residence in the ard southwest, so the enlistment matter was called off and the minister and put him distributed as west dimate would attract him after several years' residence in the ard southwest, so the enlistment matter was called off and the minister and put him distributed as west dimate would attract him after several years' residence in the ard southwest, so the enlistment matter was called off and the minister and the sawy and go to Cuba, much as be admitted a west dimate would attract him after several years' residence in the ard southwest, so the enlistment matter was called off and the minister and "the admiral" held a count of the proposed of the minister and the sawy only a series of unusualty grilling substitute.

Spend Fortune For Hom:

Spend Fortune For Ham; Go Fishing and Lose It

Frank Fistener, president of the Acme isundry and prominent as a Rotarian, and Thornton Hardie, a young attorney and Mr. Hietcher's pal, had an expensive experience recently while on a fishing trip in northern New Mexico city were having a drawing of some sind in which a bain was involved Affer spending mough to pay off the mortgage on the Elka' home. Mr. Fistoher said he and Mr. Hardie tinally won a ham. They started with their prise into the wilds to fish. When they got to where they desided to pitch camp, they found somebody had stolen the ham.

Thieves Get Jitneys Cleveland, Aug. 20.—"Drop a nickel, please," chirps the busy telephone operator, and she thinks she has gar-nered another jilney for the com-But in the case of 2270 nickels dropped by patrons of the Cleve-land Telephone company the operator gassed wrong.

These nickels were destined to pass into the hands of this were who pried into a dozen pay station boxes in public places here and carried away 118 worth of 'telephone conversation'.

Archbishop Is Warned

To Be Chary of Politics London, Ebg., Aug. 26.—The con-sistory at Rome has decided to send to archbishop Daniel J. Mannix of Melbourge, Australia, a strong ex-bortation urging moderation in his treatment of British political ques-tions, according to a British official message from Rome today.

FIJI ISLANDERS EAT CANNED

Honolulu, T. H. Aug. 20.—Why do the Fill Islanders eat canned deel? The Pan-Pacific Scientific congress, composed of pywards of 75 of the deeling scientists of the United States, Canned a Australia. New Zealand, Famea, Japan and other countries Bordering upon the Pacific ocean, is struggling with that and other problems distinct like Bestlona which spined here August 2. and which spined here August 2. and which spined here a largest of the Filians and their diet, however, is why don't they raise thair one cutte instead of shipping timed meat across the covern't is there is anything to prevent cattle raising in the Fill Islands, the congress intends to the out what it is and, if poisible, recuove the obstacle. In any event, it intends to see it something can't be done to make the Fillans produce their own persons and their diet. MEATS; MAY RAISE OWN

BRITAIN ON THE INCREASE London Eng. Aug. 29.—Convic-tors for Stunkenness in England id Wales in 1919 was nearly double rigure for 1917. The total was 188 as compared with 29,075, ac-relium to notificial report just is-ed. Greater London and northern minus accounted for 93 percent of total.

the total Among ome of the reasons given for the increase are that there are more men at home and fawer of them in kinkin, more policemen and those less overworked available for street duty, more hours for drinking and attrough lique.

SUES FOR \$50,000 DAMAGES: SAYS SKULL IS FRACTURED

H. S. House, a former employe of A. T. & S. F. railroad, has filed sait for 480,000 in the sist district court here, for alleged damages received while working for the company in Needles, Calif. He names John Barton Payne as defendant.

House states in his petition that he mantained a fractured skull when a little large fight gave way and the handle struck him on the head.

Extra Special To introduce the Fall season in the Millinery Trimming Department we offer a remarkable special in untrimmed

Shapes

THE arrival of Mile. Gene Arbelt and Mrs. M. Goss-two expert frimmers from New York, causes us to emphasize from New York, causes us to emphasize values tomorrow in untrimmed shapes. These abapes are ecpies of exclusive Rrench models in good hatter's plush and Lyon's velvet in black and colors. Very little trimming is required to convert them into stylish Fall hats worth much more than the shapes and trimmings will cost. Our new trimmers are at your service or if you have an artistic turn you can easily trim these shapes yourself. These shapes should sell for at least 800, but to advertise our trimming department, which we will feature this season, we will make them an extra special for the wreck-end selling
